

2-12-15

Quail Crossing Homeowners,

Recently there has been car break-ins in your neighborhood.

We would like to remind you to make sure your cars are locked when parked outside. Also, several garage doors are being left open.

Please be mindful of your property and your neighbors. Take an extra moment to secure your property.

Hopefully this is just a random occurrence and will not happen again. Better Safe than Sorry.

Thank you for your time on this.
