If a portion of the Property is withdrawn, all voting rights otherwise allocated to Lots being withdrawn shall be eliminated, and the common expenses shall be reallocated among the remaining Lots.

Article 3

PROPERTY RIGHTS IN COMMON EASEMENT AREAS

3.1 Common Easement Areas. The streetscape, retaining walls and all landscaping within the Property shall be Common Easement Areas. Such areas are to be maintained by the Association and no changes in landscaping will be permitted within such areas without written authorization by the Board of Directors. No building, wall, fence, paving, landscaping or construction of any type shall be erected or maintained by any Owner so as to trespass or encroach upon the Common Easement Areas.

3.2 Title to the Common Easement Areas. Title to Common Easement Areas, subject to the easements set forth in this Declaration, shall rest in the Owners of the respective Lots within which such areas are located, or to the public if part of dedicated street rights-of-way.

3.3 Extent of Owners' Rights. The rights and easements of enjoyment in the Common Easement Areas created hereby shall be subject to the following and to all other provisions of this Declaration:

(a) **Easements.** Declarant grants to the Association for the benefit of the Association and all Owners of Lots within the Property the following easements over, under and upon the Common Easement Areas:

(1) An easement on all Common Easement Areas for underground installation and maintenance of power, gas, electric, water and other utility and communication lines and services installed by Declarant or with the approval of the Board of Directors and any such easement shown on any plat of the Property.

(2) An easement for construction, maintenance, repair and use of Common Easement Areas, including common facilities thereon.

(3) An easement for the purpose of making exterior repairs to the Units.

The Common Easement Areas shall be subject to public and private utility easements for the installation and maintenance of sanitary sewers, waterlines, surface water management, storm drainage and access over their entirety. In addition, Declarant or the Association may (and to the extent required by law, shall) grant or assign easements on all Common Easement Areas to governmental bodies or other utilities performing utility services and to communications companies, and may grant free access over the Common Easement Areas to police, fire and other public officials and to employees of utility companies and communication companies serving the Property.

(b) **Use of the Common Easement Areas.** The Common Easement Areas shall be used for the purposes set forth in any plat of the Property. The Common Easement Areas shall not be partitioned or otherwise divided into parcels for residential use. Except as otherwise provided in this Declaration, the Common Easement Areas shall be reserved for the

use and enjoyment of all Owners and no private use may be made of the Common Easement Areas. The Common Easement Areas and facilities thereon shall be used for the purposes for which the same are reasonably intended, and their use, operation and maintenance shall not be obstructed, damaged or unreasonably interfered with by any Owner. Nothing herein shall prevent the placing of a sign or signs upon the Common Easement Areas identifying Northwest Crossing or identifying items of interest, including directional signs, provided that such signs comply with any applicable sign ordinances. The Board of Directors shall have authority to abate any trespass or encroachment upon the Common Easement Areas at any time, by any reasonable means and with or without having to bring legal proceedings. The Association, upon approval in writing of at least 50 percent of the Class A Association voting rights and the Class B member, if any, and if approved by order or resolution of City of Bend, may dedicate or convey any portion of the Common Easement Areas to a park district or other public body.

3.4 Delegation of Use. Any Owner may delegate, in accordance with the Bylaws of the Association, his or her right of enjoyment to the Common Easement Areas to members of his or her family, tenants, or contract purchasers who reside on the Property, whose use of the Common Easement Areas shall be subject to this Declaration and the Rules and Regulations.

3.5 Easements Reserved by Declarant. So long as Declarant owns any Lot, Declarant reserves an easement over, under and across the Common Easement Areas to carry out sales and rental activities necessary or convenient for the sale or rental of Lots, including, without limitation, advertising and "For Sale" signs. In addition, Declarant hereby reserves to itself and for the Owners of Lots in the Property a perpetual easement and right-of-way for access over, upon and across the Common Easement Areas for construction, utilities, communication lines, drainage, and ingress and egress for the benefit of other property owned by Declarant. Declarant, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under and across the Common Easement Areas and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the improvements on the Property or other real property owned by Declarant; provided, however, that no such rights shall be exercised by Declarant in such a way as to unreasonably interfere with the occupancy of, use of, enjoyment of or access to an Owner's Lot by that Owner or his or her family, tenants, employees, guests or invitees.

Article 4

PROPERTY RIGHTS IN LOTS

4.1 Use and Occupancy. The Owner of a Lot in the Property shall be entitled to the exclusive use and benefit of such Lot, except as otherwise expressly provided in this Declaration, but the Lot shall be bound by and each Owner and Declarant shall comply with the restrictions contained in Article 5 below and all other provisions of this Declaration for the mutual benefit of all Owners.

4.2 Easements Reserved. In addition to any utility and drainage easements shown on the recorded plat, Declarant hereby reserves the following easements for the benefit of Declarant, the Association and Owners, as applicable:

(a) **Right of Entry.** The Association and any person authorized by the Association may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of performing the maintenance referred to in Sections 7.1 and 7.8 below and determining whether or not the Lot is then in compliance with this Declaration. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot.

(b) **Encroachments.** Each Lot shall have an easement over all adjoining Lots for the purpose of accommodating any present or future encroachment as a result of engineering errors, construction, reconstruction, repairs, settlement, shifting or movement of any portion of the Property, or any other similar cause, and any encroachment due to building overhang or projection. There shall be valid easements for the maintenance of the encroaching Units so long as the encroachments shall exist, and the rights and obligations of Owners shall not be altered in any way by the encroachment. The encroachments described in this paragraph shall not be construed to be encumbrances affecting the marketability of title to any Lot. Nothing in this section shall relieve an Owner of liability in the case of the Owner's willful misconduct.

(c) **Utilities.** Each Lot shall be subject to an easement under and across that portion of the Lot not occupied by the Unit for installation, maintenance and use of power, gas, electric, water and other utility and communication lines, facilities and services and for meters measuring such services installed by or at the direction of Declarant or with approval of the Board of Directors.

(d) **Rain Drains and Storm Sewers.** Each Lot shall be subject to an easement for installation and maintenance of such rain drains and connected storm sewers installed or to be installed (as required by governmental regulatory authorities or as otherwise authorized by the Board of Directors) in or around any Unit or under the surface of any Lot.

4.3 Party Walls. Each wall that is built as a part of the original construction of the dwellings within the Property and placed upon the dividing line between Lots shall constitute a "party wall," and the following provisions shall apply:

(a) **General Rules of Law to Apply.** The general rules of law of the State of Oregon regarding party walls and of liability for property damage due to negligence or willful acts or omissions shall apply to all such party walls, to the extent such rules are not inconsistent with the provisions of this section.

(b) **Repair and Maintenance: Speakers and Audio Equipment.** Reasonable repairs and maintenance of a party wall shall be performed by the Association. No Owner shall install speakers or audio equipment on, or against party walls.

(c) **Destruction by Fire or Other Casualty.** If the party wall is destroyed or damaged, then the wall shall be restored to its former condition in the manner provided in paragraph (b) above.

(d) **Weatherproofing.** Notwithstanding any other provision of this Section 4.3(a), an Owner who by his negligent or willful act causes the party wall to be exposed

to the elements shall bear the cost of furnishing the necessary protection against such elements to the extent such cost is not covered by the Association's insurance policy.

(e) **Arbitration.** In the event of any disputes arising concerning a party wall, or under the provisions of this Section 4.3(a), the Board of Directors shall act as arbitrators and their decision shall be final.

Article 5

RESTRICTIONS ON USE

5.1 Primary Use. The primary use of the Units shall be for residential purposes; however, the lower floor living area may, subject to the provisions of this Declaration and applicable City of Bend zoning codes, be used to conduct business, including businesses requiring limited public access. The upper stories may not be used for business purposes, however this provision shall not be construed so as to prevent or prohibit a Unit occupant from using his or her Unit as a home office or studio, including meeting with associates, clients or customers on a by-appointment basis, to the extent permitted by applicable zoning codes.

5.2 Prohibited Business Uses. Business uses otherwise permitted by Section 5.1 may not include the following: adult book or video store; amusement center; betting parlor; bingo parlor; carnival; check cashing services; electronic, mechanical games or amusement arcade; facility primarily devoted to training or educational instruction other than as the office for such business with the training or educational instruction taking place off site; tattoo or body piercing parlor; fortune telling, palm reading or other business relating to the occult; gambling establishment; gym health or aerobic club, spa or studio; massage parlor, except as otherwise allowed herein; novelty shop or store; sale of firearms and/or ammunition; thrift shop; sale of drug paraphernalia; self service laundry; store or shop engaged primarily in the sale of used products; veterinarian's services; sale of food or beverages or the preparation of food or beverages for sale. However, the Units may be used for providing spa services including hair and nail grooming services, beauty services and massage services provided by a licensed massage therapist. And except as specifically prohibited above, the Units may also be used for the retail sale of goods and merchandise.

5.3 Offensive or Unlawful Activities. No noxious or offensive activities shall be carried out in any Unit, Lot or Common Easement Area nor shall anything be done or placed upon any Unit, Lot or Common Easement Area that interferes with or jeopardizes the enjoyment of other Units or the Common Easement Areas, or that is a source of annoyance to residents. Unit Occupants shall exercise extreme care not to make noises that may disturb other Unit Occupants. No unlawful use shall be made of the Lot or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Owners and other Occupants shall not engage in any abusive or harassing behavior, either verbal or physical, or any form of intimidation or aggression directed at other Owners, Occupants, guests, or invitees, or directed at the managing agent, its agents or employees, or vendors.

5.4 Trailers, Campers, Boats, Etc. Except with the consent of the Board of Directors, no motorcycle, trailer, truck camper, boat or boat trailer, or other recreational vehicles or equipment, or vehicles with a gross vehicle weight in excess of 9,000 pounds, commercial vehicles or motor vehicles not operated in daily family use shall be parked in driveways or on any other portion of the Property, except in a garage or for the purpose of temporary loading or unloading. No such vehicle shall be used as a residence temporarily or permanently on any portion of the Property.

5.5 Vehicles in Disrepair. No Owner shall permit any vehicle that is in an extreme state of disrepair to be abandoned or to remain parked upon any Lot, or any adjoining street for a period in excess of forty-eight (48) hours, unless kept within a garage. A vehicle shall be deemed to be in an "extreme state of disrepair" when, in the opinion of the Board of Directors, due to its appearance or continued inoperability its presence reasonably offends the Occupants of the neighborhood. Should any Owner fail to remove such vehicle within five (5) days following the date on which notice is mailed to him or her by the Association, the Association may have the vehicle removed from the Property and charge the expense of such removal to the Owner in addition to the assessments made upon him or her in accordance with this Declaration. Any vehicle parked in violation of this section can be towed or impounded as provided in Section 9.1(c) below.

5.6 Signs. No signs shall be erected or maintained on any Lot except that not more than one "For Sale" sign placed by the Owner, Declarant, or a licensed real estate agent, not exceeding twenty-four (24) inches high and thirty-six (36) inches long, may be temporarily displayed within the front yard of any Lot or inside of a first floor, front street facing window of a Living Unit located on a Residential Lot, and two such signs may be placed on a Lot during the course of initial construction of a dwelling on such Lot. All "For Sale" signs shall conform to the sign template provided by Declarant to the Association. "For Rent" and "For Lease" signs are prohibited. The restrictions contained in this paragraph shall not prohibit the temporary placement of "political" signs on any Lot by the Owner, subject to reasonable regulations adopted by the Architectural Review Committee relating to size and length of display. In addition, this section shall not prohibit the placement of commercial signs on the Units relating to the permitted commercial activities carried on within the Units, as set forth in Section 5.1 and 5.2 above. Commercial signs may only be affixed to the doors of the street-level entries to the Units and all such signs shall be professionally prepared, shall be no larger than 2'x 3', and shall be maintained by the Owner of the Unit in an attractive condition.

5.7 Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept or permitted within any Lot other than a reasonable number of household pets that are not kept, bred or raised for commercial purposes and that are reasonably controlled so as not to be a nuisance. Any inconvenience, damage or unpleasantness caused by such pets shall be the responsibility of their respective Owners. No animal shall be permitted to roam the Property unattended, and each dog shall be kept on a leash while outside a Lot. Dog runs and doghouses shall be fully screened or fenced from view from any Lot, and shall not be visible from the street. All animals shall be controlled so as not to be a nuisance to any Owner. Any unrestrained or barking dog shall constitute a nuisance. An Owner or Occupant will be required to remove a pet upon receipt of the third written notice from the Board of Directors of violations of any rule, regulation or restriction governing pets within the Property.

5.8 Appearance. Except to the extent of the Association's responsibility under Section 7.1 below, each Owner shall maintain such Owner's Unit and Lot in a clean and attractive condition, in good repair and in such a fashion as not to create a fire hazard. Damage caused by fire, flood, storm, earthquake, riot, vandalism, or other causes shall be the responsibility of each Owner and shall be restored within a reasonable period of time. No part of any Lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste. Trash, garbage or other wastes shall be kept only in sanitary containers in the garages, except when outside awaiting pickup during garbage pickup days.

5.9 Recreational Equipment. No basketball backboards, portable basketball hoops, or related supporting structures shall be placed or installed on any Lot. Playground, athletic, or recreational equipment must be approved by the Architectural Review Committee and may only be installed in the backyard portion of Lots at a location approved by Architectural Review Committee.

5.10 Antennas and Service Facilities. Exterior antennas and satellite receivers and transmission dishes are prohibited, except to the extent expressly mandated by rules adopted by the Federal Communication Commission. Specifically, ham radio antennas, satellite dishes one meter or larger, television antennas on masts 12 feet or higher and multi-point distribution antennas more than one meter or on masts 12 feet or higher are prohibited. To the extent permitted by Federal Communication Commission rules, the Board of Directors may require all other antennas and dishes to be hidden from view from streets and adjoining dwellings. Subject to the foregoing restriction, any Owner who chooses to install, or have installed an exterior antenna, satellite receiver, or transmission dish, which installation penetrates the exterior roofing or siding of the Unit shall assume all responsibility for water intrusion and any and all consequential damages stemming from such penetration. The warranty provided by Declarant to the Owner shall not apply to any damages resulting from installation of such equipment.

5.11 Exterior Lighting or Noisemaking Devices. Except with the consent of the Board of Directors and the Architectural Review Committee under the Master Declaration and except for exterior lighting originally installed by the Declarant, no exterior lighting or noise-making devices shall be installed or maintained on any Lot. Owners shall not tamper with exterior lighting installed by the Declarant except to replace expended bulbs with similar new bulbs. Seasonal holiday lighting and decorations are permissible if consistent with any applicable Rules and Regulations and if removed within thirty (30) days after the celebrated holiday.

5.12 Windows, Decks, Porches and Outside Walls. To preserve the attractive appearance of the Property, the Association may regulate the nature of items that may be placed in or on windows, decks, porches, and the outside walls so as to be visible from the street. Window coverings, curtains, shutters, drapes or blinds, other than those of commercially produced quality, shall not be permitted to be visible from any public or private street, pathway, or adjacent property. Garments, rugs, laundry and other similar items may not be hung from windows, facades, porches, or decks. No outside clotheslines or similar service facilities may be installed without the approval of the Board of Directors. No hanging wind chimes, bird feeders, or artificial flowers may be hung from decks, porches or balconies.

5.13 Alterations. Exterior painting, maintenance and roof repair or replacement will be performed by the Association to the extent provided in Section 7.1 below. Owners are expressly prohibited from painting or changing the exterior of a building or other structure after original construction without the written permission of the Board of Directors and the Architectural Review Committee under the Master Declaration. To guard against moisture intrusion, no penetration of or attachments to the exterior surfaces is allowed without the prior written approval of the Board of Directors. No structure may be installed outside of Units except structures, including without limitation fences, installed by Declarant or the Association or installed by an Owner with written approval of the Board of Directors and the Architectural Review Committee under the Master Declaration.

5.14 Insurance. Nothing shall be done or kept in any Lot that will increase the cost of insurance on the Units. No Owner shall permit anything to be done or kept in his Unit that will result in cancellation of insurance on any Lot.

5.15 Leasing and Rental of Units. No Owner may lease or rent his Unit for a period of less than thirty (30) days. All leases or rentals shall be by written lease agreement that shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration and the Rules and Regulations, Articles of Incorporation and Bylaws of the Association, and that any failure by the lessee or tenant to comply with the terms of such documents shall be a default under the lease. If the Board of Directors finds that a lessee or tenant has violated any provision of such documents or the Rules and Regulations, the Board may require the Owner to terminate such lease or rental agreement. Other than the foregoing, there is no restriction on the right of any Owner to lease or rent his or her Unit.

5.16 Garages. All garage doors shall remain closed except to permit entrance and exit and in connection with outside activities. Garages shall be used primarily for parking of vehicles, and only secondarily for storage, and shall not be used as office or living space, except that Declarant may use garages as sales offices prior to permanent occupancy of the Units.

5.17 Landscape. All exterior landscape installation and maintenance will be performed by the Association, including the rear yards. An Owner may not change the landscaping or install additional landscaping, without the prior written approval of the Board of Directors. Landscape irrigation settings shall be set by the Association and no Owner shall tamper with or change such settings. The Association shall have right of access to each control box.

5.18 Rain Drains and Sewers. All rain drains and storm sewers shall be kept free of debris, and Owners shall not cause any such drains or sewers to become blocked, clogged or otherwise to back up into any Lot.

5.19 Master Declaration. Each Owner and Lot shall be subject to the restrictions contained in the Master Declaration, which restrictions are incorporated herein and shall be enforceable by the Association.

5.20 Rules and Regulations. In addition, the Association from time to time may adopt, modify or revoke such Rules and Regulations governing the conduct of persons and the

operation and use of the Lots, Units and the Common Easement Areas as it may deem necessary or appropriate to ensure the peaceful and orderly use and enjoyment of the Property. A copy of the Rules and Regulations, upon adoption, and a copy of each amendment, modification or revocation thereof, shall be furnished by the Board of Directors to each Owner. The Rules and Regulations may be adopted by the Board of Directors, except as may be otherwise provided in the Bylaws of the Association.

Article 6

ASSOCIATION

Before conveyance of the first Lot, Declarant shall organize an association of all of the Owners within the Property. Such Association, and its successors and assigns, shall be organized as an Oregon nonprofit corporation under the name "**Northwest Crossing Owners Association**," and shall have such property, powers and obligations as are set forth in this Declaration for the benefit of the Property and all Owners of property located therein.

6.1 Organization. Declarant shall, before the first Lot is conveyed to an Owner, organize the Association as a nonprofit corporation under the general nonprofit corporation laws of the State of Oregon. The Articles of Incorporation of the Association shall provide for its perpetual existence, but in the event the Association is at any time dissolved, whether inadvertently or deliberately, it shall automatically be succeeded by an unincorporated Association of the same name. In that event the assets of the Association shall be dedicated to a public body, or all of the property, powers and obligations of the incorporated Association existing thereupon shall automatically vest in a successor unincorporated nonprofit association. Such vesting shall thereafter be confirmed and evidenced by appropriate conveyances and assignments by the incorporated Association. To the greatest extent possible, any successor unincorporated association shall be governed by the Articles of Incorporation and Bylaws of the Association as if they had been made to constitute the governing documents of the unincorporated association.

6.2 Membership. Every Owner of one or more Lots within the Property shall, immediately upon creation of the Association and thereafter during the entire period of such Owner's ownership of one or more Lots within the Property, be a member of the Association. Such membership shall commence, exist and continue simply by virtue of such ownership; shall expire automatically upon termination of such ownership; and need not be confirmed or evidenced by any certificate or acceptance of membership.

6.3 Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Class B member and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

- (a) When all of the Lots in Northwest Crossing have been sold and conveyed to Owners other than a successor Declarant; or
- (b) At such earlier time as Declarant may elect to terminate such special voting rights.

6.4 General Powers and Obligations. The Association shall have, exercise and perform all of the following powers, duties and obligations:

- (a) The powers, duties and obligations granted to the Association by this Declaration.
- (b) The powers and obligations of a nonprofit corporation pursuant to the general nonprofit corporation laws of the State of Oregon.
- (c) The powers, duties and obligations of a homeowners association pursuant to the Oregon Planned Community Act.
- (d) Any additional or different powers, duties and obligations necessary or desirable for the purpose of carrying out the functions of the Association pursuant to this Declaration or otherwise promoting the general benefit of the Owners within the Property.

The powers and obligations of the Association may from time to time be amended, repealed, enlarged or restricted by changes in this Declaration made in accordance with the provisions herein, accompanied by changes in the Articles of Incorporation or Bylaws of the Association made in accordance with such instruments and with the nonprofit corporation laws of the State of Oregon.

6.5 Specific Powers and Duties. The powers and duties of the Association shall include, without limitation, all of the following:

- (a) **Maintenance and Services.** The Association shall provide maintenance and services for the Property as provided in Article 7 and other provisions of this Declaration.
- (b) **Insurance.** The Association shall obtain and maintain in force policies of insurance as provided in this Declaration or the Bylaws of the Association.
- (c) **Rulemaking.** The Association shall make, establish, promulgate, amend and repeal Rules and Regulations as provided in Section 5.20 of this Declaration.
- (d) **Assessments.** The Association shall adopt budgets and impose and collect assessments as provided in Article 8 of this Declaration.

(e) **Enforcement.** The Association shall perform such acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce the provisions of this Declaration and the Rules and Regulations adopted by the Association. Nothing in this Declaration shall be construed as requiring the Association to take any specific action to enforce violations.

(f) **Employment of Agents, Advisers and Contractors.** The Association, through its Board of Directors, may employ the services of any person or corporation as manager; hire employees to manage, conduct and perform the business, obligations and duties of the Association; employ professional counsel and obtain advice from such persons or firms or corporations such as, but not limited to, landscape architects, recreational experts, architects, planners, lawyers and accountants; and contract for or otherwise provide for all services necessary or convenient for the management, maintenance and operation of the Property; provided, however, the Association may not incur or commit to incur legal fees in excess of \$5,000 for any specific litigation or claim matter or enter into any contingent fee contract on any claim in excess of \$100,000 unless the Owners have enacted a resolution authorizing the incurring of such fees by a vote of seventy-five percent (75%) of the voting rights of the Association. These limitations shall not be applicable to legal fees incurred in defending the Association or the Board of Directors from claims or litigation brought against them. The limitations set forth in this paragraph shall increase by ten percent on each fifth anniversary of the recording of this Declaration.

(g) **Borrow Money, Hold Title and Make Conveyances.** The Association may borrow and repay moneys for the purpose of performing its duties under this Declaration. The Association may acquire, hold title to and convey, with or without consideration, real and personal property and interests therein, and shall accept any real or personal property, leasehold or other property interests within the Property conveyed to the Association by Declarant.

(h) **Create Classes of Service and Make Appropriate Charges.** The Association may, in its sole discretion, create various classes of service and make appropriate Individual Assessments or charges therefor to the users of such services without being required to render such services to those of its members who do not assent to such charges, subject to such Rules and Regulations as the Board of Directors deems proper. In addition, the Board of Directors shall have the right to discontinue any service upon nonpayment of Assessments or to eliminate any service for which there is no demand or for which there are inadequate funds to maintain the same.

(i) **Implied Rights and Obligations.** The Association may exercise any other right or privilege reasonably to be inferred from the existence of any right or privilege expressly given to the Association under this Declaration or reasonably necessary to effectuate any such right or privilege.

(j) **Master Association Assessments.** The Association may collect from the Owners assessments owing under the Master Declaration for forwarding to the Master Association.

6.6 Liability. Neither a member of the Board of Directors nor an officer of the Association shall be liable to the Association or any Owner or third party for any damage, loss or prejudice suffered or claimed on account of any action or failure to act in the performance of his or her duties, so long as the individual acted in good faith, believed that the conduct was in the best interests of the Association, or at least was not opposed to its best interests, and in the case of criminal proceedings, had no reason to believe the conduct was unlawful. In the event any member of the Board of Directors or any officer of the Association is threatened with or made a party to any proceeding because the individual was or is a director or officer of the Association, the Association shall defend such individual against such claims and indemnify such individual against liability and expenses incurred to the maximum extent permitted by law. The managing agent of the Association, and its officers and employees, shall not be liable to the Association, the Owners or any third party on account of any action or failure to act in the performance of its duties as managing agent, except for acts of gross negligence or intentional acts, and the Association shall indemnify the managing agent and its officers and employees from any such claims, other than for gross negligence or intentional misconduct.

6.7 Interim Board; Turnover Meeting. Declarant shall have the right to appoint an interim board of one to three directors, who shall serve as the Board of Directors until replaced by Declarant or their successors have been elected by the Owners at the Turnover Meeting. Declarant shall call a meeting of the Association for the purpose of turning over administrative responsibility for the Property to the Association not later than ninety (90) days after termination of the Class B membership as provided in Section 6.3 above. At the Turnover Meeting, the interim directors shall resign and their successors shall be elected by the Owners as provided in the Bylaws. If the Declarant fails to call the Turnover Meeting as required by this section, any Owner or mortgagee of a Lot may call the meeting by giving notice as provided in the Bylaws.

6.8 Contracts Entered into by Declarant or Prior to Turnover Meeting. Notwithstanding any other provision of this Declaration, any management contracts, service contracts and employment contracts entered into by the Declarant or the Board of Directors on behalf of the Association prior to the Turnover Meeting shall have a term of not more than of three (3) years. In addition, any such contract shall provide that it may be terminated without cause or penalty by the Association or Board of Directors upon not less than thirty (30) nor more than ninety (90) days' notice to the other party given at any time after the Turnover Meeting.

6.9 Bylaws. The Bylaws of the Association and any amendment or modification of the Bylaws shall be recorded in the Deed Records of Deschutes County, Oregon. Declarant hereby adopts, on behalf of the Association, the initial Bylaws attached as Exhibit A to this Declaration.

6.10 Master Association. It is contemplated that from time to time either the Master Association or the Association may use the services of the other in the furtherance of their respective obligations, and they may contract with each other to better provide for such cooperation. Any such contract shall be approved by the Board of Directors.

Article 7

MAINTENANCE, SERVICES, CONDEMNATION, DAMAGE

7.1 Exterior Maintenance. The Association shall provide exterior maintenance upon each Unit as follows: paint, caulk, repair, replace and care for roofs, roof overhangs, eaves, gutters, downspouts, flashings, exterior building surfaces, exterior lights (except light bulbs) and other exterior improvements. Such exterior maintenance does not include repair or replacement of exterior light bulbs, doors, windows and other glass surfaces, except to the extent of the proceeds of the Association's insurance or to prevent water intrusion at the expense of the Owner (subject to insurance reimbursement). The Association shall also maintain party walls as provided in Section 4.3. The Association shall maintain all landscaping within the Property (including fences and retaining walls, plant pruning and bark mulch application). By policy resolution, the Board of Directors may clarify the Association's maintenance obligations or identify other elements to be maintained by the Association. The cost of such maintenance by the Association shall be a common expense paid out of assessments described in Article 8. In the event, however, the need for such maintenance or repair is caused by the willful or negligent act or omission of an Owner, his or her family, tenants, guests or invitees, and to the extent such maintenance or repair is not covered by the Association's insurance policy, the costs of such maintenance and repair may, in the discretion of the Board of Directors, be charged to the Owner as an Individual Assessment.

7.2 Maintenance and Lighting of Common Maintenance Areas and Streetscape. In addition to the exterior maintenance as set forth in Section 7.1, the Association shall maintain any exterior lighting for and perform all maintenance upon the Common Maintenance Areas, including the Common Easement Areas and improvements located thereon, including, without limitation, streetscape, landscaping, perimeter fences and walls.

7.3 Maintenance of Utilities. The Association shall perform or contract to perform maintenance of any utilities, such as sanitary sewer service lines, domestic water service lines and storm drainage lines, located in the Common Maintenance Areas and Lots. Each Owner shall maintain at such Owner's expense utility lines to the extent located within the Unit.

7.4 Maintenance Plan and Inspections. The Association shall maintain those portions of the Property to be maintained by the Association in as good or better condition as at the time of the Turnover Meeting. To that end, the Board of Directors shall establish, periodically update, and implement the Maintenance Plan referred to in Section 8.10(c). The operating and reserve budgets of the Association shall take into account such costs. Changes or updates to the Maintenance Plan shall be based upon the advice of competent experts or consultants. In addition, the Board of Directors shall cause an annual professional inspection of those portions of the Property to be maintained by the Association pursuant to this Declaration for the purposes of identifying any items needing repair or preventive maintenance, and shall cause such repair or preventive maintenance to be implemented. If the Association fails to follow such maintenance and inspection requirements, then neither the Association nor any unit owner shall have any claim against Declarant or its design professionals, contractors and subcontractors and their consultants, including without limitation, all of their officers, members, managers, directors, employees, agents and brokers, for loss or damage to the extent that they

result from such failure to follow the Maintenance Plan, and shall indemnify such persons and entities from and against claims by unit owners or other persons or entities for loss or damage resulting from such failure.

7.5 Utilities and Services. The Association may provide or contract for such utilities and services as the Board of Directors may reasonably deem to be of benefit to the Property, including, without limitation, cable, telecommunications, garbage and trash removal and security services.

7.6 Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be. **Neither the Association, any managing agent retained by the Association, Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Property, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or of ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants that the Association, its board of directors and committees, any managing agent retained by the Association, Declarant, and any successor Declarant are not insurers and that each person using the Property assumes all risks for loss or damage to persons, to property and to the contents of Lots resulting from acts of third parties and releases such parties from any liability therefor.**

7.7 Access at Reasonable Hours. For the purpose solely of performing the maintenance and services provided for in this Article 7, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or exterior of the dwelling thereof at reasonable hours. The Association shall also have a right of entry for purposes of effecting emergency repairs or action to prevent imminent damage or injury to other Units, to other Owners and their guests or invitees. In such instances, the Association shall give notice by telephone if reasonably possible prior to entry.

7.8 Damage or Destruction by Casualty. In the event of damage or destruction that affects a material portion of the Property, timely written notice shall be given to the Owners and their mortgagees, and the following provisions shall apply:

(a) In the event of damage or destruction by casualty to the structure, roof or exterior of any Unit, the damage or destruction shall be repaired, reconstructed, or rebuilt unless, within fourteen (14) days of such damage or destruction, the Board of Directors or more than ten percent (10%) of the Owners shall have requested a special meeting of the Association. Such special meeting must be held within thirty (30) days of the date of damage or destruction. At the time of such meeting, unless seventy-five percent (75%) of the Owners, whether in person, by writing or by proxy, with the approval of seventy-five percent (75%) or more of the mortgagees if and as required by this Declaration, vote not to repair, reconstruct or rebuild the damaged property, the damage or destruction shall be repaired, reconstructed or rebuilt, with the work

commencing as soon as reasonably possible. In the event any portion of the insurance proceeds paid to the Association are not used to repair, reconstruct or rebuild the damaged or destroyed Units, the Association shall distribute the proceeds attributable to Units to the Owners and mortgagees thereof, as their interests may appear. If the insurance proceeds are not sufficient to pay the entire cost, the Board of Directors, if necessary, may assess the Owner of each Unit such additional amounts as required to pay the cost of restoration.

(b) If, due to act or neglect of an Owner or a member of his or her family or his or her household pet or of a guest or other unauthorized Occupant or visitor of such Owner, damage shall be caused to the Common Easement Areas or maintenance, repairs or replacements shall be required that would otherwise be a common expense, then such Owner shall pay for such damage and such maintenance, repairs or replacements as may be determined by the Association, to the extent not covered by the Association's insurance, as an Individual Assessment.

7.9 Owner's Maintenance Responsibilities. Each Owner shall be responsible for maintaining such Owner's Unit and Lot, to the extent such maintenance is not the responsibility of the Association under Sections 7.1 and 7.8 above, in a clean and attractive condition, in good repair and in such fashion as not to create a hazard. Such maintenance responsibility shall include, but not be limited to, the following:

(a) Repair, replace, restore and clean the interior of the Unit, including, but not limited to interior and exterior glass;

(b) Keep all mechanical and electrical systems and hardware in the Unit and on the exterior of the Unit in good repair and working order, including, without limitation, maintaining, repairing and replacing as necessary electrical wiring, fixtures, plumbing, appliances, heating, air conditioning, sewage disposal and fire protection systems;

(c) Maintain in good condition, repair and replace as necessary bulbs for exterior lighting; and

(d) Maintain decks and patios in neat and attractive condition.

The Association shall have the authority to require each Owner to keep his or her respective Lot and Unit at a high standard of maintenance. In the event an Owner fails to maintain his or her Unit or Lot to the standards established by the Board of Directors pursuant to the authority of this section, the Association will have the right and the authority at its option, after giving reasonable notice and opportunity to be heard to the respective Owner, to cause such repairs and maintenance to be performed as are necessary to meet the foregoing standard and charge the respective Owner for such repairs and maintenance.

7.10 Option to Provide Maintenance Services through Association. Upon request of an Owner, the Association may provide maintenance and repair services which would otherwise be the responsibility of such Owner under this Article, provided that the respective Owner shall reimburse the Association, as an Individual Assessment, for such services immediately upon completion. Alternatively, upon proposal by the Board of Directors and

approval by fifty-one percent (51%) of the total voting power of the Association, the charge for such maintenance and repair services may be designated a common expense of the Association to be paid with funds collected from the Owners pursuant to the assessment procedures set forth in Article 8 below. In the event the Owners elect to designate any such maintenance and repair services as a common expense of the Association, (i) such designation shall identify specifically which services are to become included as common expenses (with any maintenance and repair responsibilities not so included to remain the obligation of the Owners under Section 7.9 above); and (ii) the Association may add a charge to such common expenses sufficient to cover the costs of administering, coordinating and invoicing for such additional maintenance and repair services.

Article 8

ASSESSMENTS

8.1 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and Occupants of the Property and for the improvement, operation and maintenance of the Common Easement Areas and other areas to be maintained by the Association.

8.2 Types of Assessments. The Association may levy Annual Assessments, Special Assessments, Emergency Assessments, Working Fund Assessments and Individual Assessments, all as more particularly described below.

8.3 Commencement and Apportionment of Assessments.

(a) **When Subject to Assessment.** Lots shall become subject to Annual Assessments (including assessments for reserves), Special Assessments or Emergency Assessments at such time as an occupancy certificate is issued for the Unit located on the Lot. Declarant may elect to delay collection of Annual Assessments against all Lots, but in such case shall pay all common expenses of the Association until such Assessments commence. Declarant may defer payment of that portion of the Annual Assessments attributable to accrued reserve assessments for a Lot owned by Declarant from the date the Lot becomes subject to assessment until the date the Lot is conveyed, but not beyond the date of the Turnover Meeting or, if no Turnover Meeting is held, the date the Owners assume administrative control of the Association. The books and records of the Association shall reflect the amount owing from Declarant for all deferred reserve Assessments.

(b) **Apportionment.** All Lots subject to assessment shall pay an equal share of the Annual Assessments, Special Assessments and Emergency Assessments. No Owner by the Owner's own action may claim exemption from liability for contribution towards common expenses by waiver by the Owner of use of enjoyment of any of the Common Easement Area or by abandonment by the Owner of the Owner's Lot. An Owner may not claim an offset against an Assessment for failure of the Association to perform its obligations, and no Owner may offset amounts owing or claimed to be owing by the Association or Declarant to the Owner.

8.4 Annual Assessments. The Board of Directors shall from time to time and at least annually prepare an operating budget for the Association, taking into account the current costs of

maintenance and services and future needs of the Association, any previous overassessment and any common profits of the Association. The budget shall take into account the number of Lots subject to assessment as of the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year. The budget may be based upon a greater number of Lots than those reasonably anticipated to be subject to assessment during the fiscal year if the Declarant agrees to subsidize the Association for any shortfall in the Operations Fund until the assumed number of Lots is subject to assessment. The budget shall provide for such reserve or contingency funds as the Board deems necessary or as may be required by law, but not less than the reserves required by Section 8.10 below and shall take into account the Maintenance Plan adopted pursuant to Section 7.4 above. Annual Assessments for such operating expenses and reserves ("**Annual Assessments**") shall then be apportioned among the Lots as provided in Section 8.3 above. Within thirty (30) days after adopting the annual budget, the Board of Directors shall provide a summary of the budget to all Owners. If the Board of Directors fails to adopt an annual budget, the last adopted budget shall continue in effect. The manner of billing and collection of Assessments shall be as provided in the Bylaws.

8.5 Special Assessments. In addition to the Annual Assessment authorized above, the Board of Directors may levy during any fiscal year a Special Assessment ("**Special Assessment**"), applicable to that year only, for the purpose of deferring all or any part of the cost of any construction or reconstruction, unexpected repair, or acquisition or replacement of a described capital improvement, or for any other one-time expenditure not to be paid for out of Annual Assessments. Special Assessments for acquisition or construction of new capital improvements or additions that in the aggregate in any fiscal year exceed an amount equal to fifteen percent of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by a majority of the voting rights voting on such matter, together for acquisition or construction of new capital improvements or additions with the written consent of the Class B member, if any. Prior to the Turnover Meeting, any Special Assessment for acquisition or construction of new capital improvements or additions must be approved by not less than fifty percent (50%) of the Class A voting rights, together with the written consent of the Class B member. Special Assessments shall be apportioned as provided in Section 8.3 above and may be payable in lump sum or in installments, with or without interest or discount, as determined by the Board of Directors.

8.6 Emergency Assessments. If the Annual Assessments levied at any time are, or will become, inadequate to meet all expenses incurred under this Declaration for any reason, including nonpayment of any Owner's Assessments on a current basis, the Board of Directors shall immediately determine the approximate amount of such inadequacy and issue a supplemental budget, noted as to the reason therefor, and levy an Emergency Assessment for the amount required to meet all such expenses on a current basis ("**Emergency Assessment**"). Emergency Assessments shall be apportioned as set forth in Section 8.3 above and payable as determined by the Board of Directors.

8.7 Individual Assessments. Any common expense or any part of a common expense benefiting fewer than all of the Lots may be assessed exclusively against the Lots benefited ("**Individual Assessment**"). Individual Assessments include, without limitation, charges for services provided under Section 6.5(h) and any common expense that the Board of

Directors determines is the fault of the Owner and not paid by insurance. Individual Assessments shall also include default Assessments levied against any Lot to reimburse the Association for costs incurred in bringing such Lot or its Owner into compliance with the provisions of this Declaration or the Rules and Regulations and for fines or other charges imposed pursuant to this Declaration for violation thereof. Unless otherwise provided by the Board of Directors, Individual Assessments shall be due 30 days after the Board of Directors has given written notice thereof to the Owners subject to the Individual Assessments.

8.8 Working Fund Assessments. Upon the first sale of a Lot to a purchaser other than a successor Declarant and upon any subsequent sale of such Lot, the purchaser shall pay to the Association a Working Fund Assessment equal to three times the monthly Annual Assessment then applicable to the Lot (the "**Working Fund Assessment**"). The Board of Directors may deposit Working Fund Assessments either in the Operations Fund or in the Reserve Fund, at the discretion of the Board.

8.9 Operations Fund. The Association shall keep all funds received by it as Assessments, other than reserves described in Section 8.10 or Working Fund Assessments deposited in the Reserve Fund as described in Section 8.8, separate and apart from its other funds, in a bank account in the State of Oregon in the name of the Association to be known as the "**Operations Fund**." All expenses of the Association shall be paid from the Operations Fund or from the Reserve Fund referred to in Section 8.10. The Association shall use such fund exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents within the Property and in particular for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Easement Areas and of the Lots situated upon the Property, including but not limited to:

- (a) Payment of the cost of maintenance, utilities and services as described in Article 7.
- (b) Payment of the cost of insurance as described in the Bylaws of the Association.
- (c) Payment of the cost of water service, sewer service and garbage and trash disposal for the Common Easement Areas or that are commonly billed.
- (d) Payment of the cost of other services that the Association deems to be of general benefit to the Owners, including but not limited to accounting, legal and secretarial services.

8.10 Reserve Fund.

(a) **Establishment of Account.** Declarant shall conduct a reserve study as described in paragraph (c) of this section and establish a bank account in the State of Oregon in the name of the Association (the "**Reserve Fund**") for replacement of common properties that will normally require replacement in whole or in part in more than three (3) and less than thirty (30) years, for exterior painting of the Common Maintenance Areas or other property to be maintained by the Association include exterior painted surfaces, for significant future

maintenance items as required by the Maintenance Plan established pursuant to Section 7.4, and for other items, whether or not involving Common Maintenance Areas, if the Association has responsibility to maintain the items. The Reserve Fund need not include those items that could reasonably be funded from operating Assessments or for those items for which one or more Owners are responsible for maintenance and replacement under the provisions of this Declaration or the Bylaws.

(b) **Funding of Reserve Fund.** The Reserve Fund shall be funded by Assessments against the individual Lot assessed for maintenance of the items for which the Reserve Fund is being established, which sums shall be included in the regular Annual Assessment for the Lot. The Reserve Fund shall also include Working Fund Assessments to the extent so allocated by the Board of Directors pursuant to Section 8.8. The Reserve Fund shall be established in the name of the Association. The Association is responsible for administering the Reserve Fund and making periodic payments into it.

(c) **Reserve Studies.** The reserve portion of the initial Assessment determined by Declarant shall be based on a reserve study described in this paragraph (c) or other sources of information. The Board of Directors annually shall conduct a reserve study, or review and update an existing study, to determine the Reserve Fund requirements and may adjust the amount of payments as indicated by the study or update and provide other reserve items that the Board of Directors, in its discretion, may deem appropriate. The reserve study shall include:

- (1) Identification of all items for which reserves are to be established;
- (2) The estimated remaining useful life of each item as of the date of the reserve study;
- (3) The estimated cost of maintenance, repair or replacement of each item at the end of its useful life; and
- (4) A thirty (30) year plan for the maintenance, repair and replacement of common property and other property required by this Declaration to be maintained by the Association with regular and adequate contributions, adjusted by estimated inflation and interest earned on reserves, to meet the maintenance, repair and replacement schedule.

The Board of Directors shall, within 30 days after conducting the reserve study, provide to every owner a written summary of the reserve study and of any revisions to the 30-year plan adopted by the Board of Directors or Declarant as a result of the reserve study.

(d) **Use of Reserve Fund.** The Reserve Fund shall be used only for the purposes for which the reserves have been established and shall be kept separate from other funds. After the Turnover Meeting, however, the Board of Directors may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet unexpected increases in expenses if the Board of Directors has adopted a resolution, which may be an annual continuing resolution, authorizing the borrowing of funds. Not later than the adoption of the budget for the following year, the Board of Directors shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period. Nothing in this section shall prohibit prudent investment of the Reserve Fund. In addition to the

authority of the Board of Directors under paragraph (c) of this section, following the second year after the Turnover Meeting, the Association may elect to reduce or increase future Assessments for the Reserve Fund by an affirmative vote of not less than seventy-five percent (75%) of the voting power of the Association and may, on an annual basis by a unanimous vote, elect not to fund the Reserve Fund. Assessments paid into the Reserve Fund are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers of the Lots, however, may treat their outstanding share of the Reserve Fund as a separate item in any sales agreement.

8.11 Creation of Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it within the Property, does hereby covenant, and each Owner of any Lot by acceptance of a conveyance thereof, whether or not so expressed in any such conveyance, shall be deemed to covenant to pay to the Association all Assessments or other charges as may be fixed, established and collected from time to time in the manner provided in this Declaration or the Association Bylaws. Such Assessments and charges, together with any interest, late charges, expenses or attorneys' fees imposed pursuant to Section 9.6, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment or charge is made. Such assessments, charges and other costs shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment or charge fell due. Such liens and personal obligations shall be enforced in the manner set forth in Article 9 below.

8.12 Voluntary Conveyance. In a voluntary conveyance of a Lot the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor of the Lot up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. However, upon request of an Owner or Owner's agent for the benefit of a prospective purchaser, the Board of Directors shall make and deliver a written statement of the unpaid Assessments against the prospective grantor of the Lot effective through a date specified in the statement, and the grantee in that case shall not be liable for any unpaid Assessments against the grantor not included in the written statement.

Article 9

ENFORCEMENT

9.1 Violation of Protective Covenants. In the event that any Owner violates any provision of this Declaration, the Bylaws of the Association or the Rules and Regulations, then the Association acting through its Board of Directors shall notify the Owner in writing of any such specific violations. If the Owner is unable, is unwilling, or refuses to comply with the Association's specific directives for remedy or abatement, or the Owner and the Association cannot agree to a mutually acceptable solution within the framework and intent of this Declaration, then the Association acting through its Board of Directors shall, after notice and opportunity to be heard as provided in the Bylaws, have the right to do any or all of the following:

(a) Assess reasonable fines against such Owner, based upon a resolution adopted by the Board of Directors that is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing address designated by the Owner of each Lot in writing, which fines shall constitute Individual Assessments for purposes of this Declaration;

(b) Enter the offending Lot and remove the cause of such violation, or alter, repair or change the item that is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for the entire cost of the work done, which amount shall be payable to the Operations Fund as an Individual Assessment, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings;

(c) Cause any vehicle parked in violation of this Declaration or of the Rules and Regulations to be towed and impounded at the Owner's expense;

(d) Suspend the voting rights for the period that the violations remain unabated, provided that the Association shall not deprive any Owner of access to and from his Unit;

(e) Bring suit or action against the Owner on behalf of the Association and other Owners to enforce this Declaration.

9.2 Default in Payment of Assessments; Enforcement of Lien. If an assessment or other charge levied under this Declaration is not paid within thirty (30) days after its due date, such assessment or charge shall become delinquent and shall bear interest from the due date at the rate set forth below. In such event the Association may exercise any or all of the following remedies:

(a) The Association may suspend such Owner's voting rights and any utility services paid for out of Assessments, plus other charges under this Declaration, are paid in full and may declare all remaining periodic installments of any Annual Assessment immediately due and payable. In no event, however, shall the Association deprive any Owner of access to and from his Lot.

(b) The Association shall have a lien against each Lot in accordance with ORS 94.709 for any assessment levied against the Lot, including any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot, and may foreclose such lien in the manner provided in ORS 94.709.

(c) The Association may bring an action to recover a money judgment for unpaid assessments, fines and charges under this Declaration without foreclosing or waiving the lien described in paragraph (b) above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

(d) The Association shall have any other remedy available to it by law or in equity.

9.3 Notification of First Mortgagee. The Board of Directors will send notice of any default in performance of this Declaration by a Lot Owner that is not cured within sixty (60) days to any first mortgagee of such Lot who has given written notice to the Association requesting notices of defaults.

9.4 Subordination of Lien to Mortgages. The lien of the assessments or charges provided for in this Declaration shall be subordinate to the lien of any mortgage or deed of trust on such Lot that was made in good faith and for value and that was recorded prior to the recordation of the notice of lien. Sale or transfer of any Lot shall not affect the assessment lien, but the sale or transfer of any Lot that is subject to any mortgage or deed of trust pursuant to a decree of foreclosure or non-judicial foreclosure thereunder or any deed or proceeding, deed or assignment in lieu of foreclosure shall extinguish any lien of an assessment notice of which was recorded after the recording of the mortgage or trust deed. The unpaid Assessments as a result of such foreclosure or sale shall become a common expense of all Owners, including the mortgagee or purchaser, and such sale or transfer shall not release the Lot from liability for any assessments or charges thereafter becoming due or from the lien of such assessments or charges.

9.5 Interest, Late Charges and Expenses. Any amount not paid to the Association when due in accordance with this Declaration shall bear interest from the due date until paid at a rate three (3) percentage points per annum above the prevailing Portland, Oregon prime rate as of the due date, or such other rate as may be established by the Board of Directors, but not to exceed the lawful rate of interest under the laws of the State of Oregon. A late charge may be charged for each delinquent assessment in an amount established from time to time by resolution of the Board of Directors, which resolution is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing address designated by the Owner in writing, together with all expenses incurred by the Association in collecting such unpaid assessments, including attorneys' fees (whether or not suit is instituted). In the event the Association shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice and a fee for preparing the notice of lien established from time to time by resolution of the Board of Directors.

9.6 Costs and Attorneys' Fees. In the event the Association shall bring any suit or action to enforce this Declaration, the Bylaws of the Association or the Rules and Regulations, or to collect any money due under this Declaration or to foreclose a lien, the Owner-defendant shall pay to the Association all costs and expenses incurred by it in connection with such suit or action, including a foreclosure title report, and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable as attorneys' fees at trial and upon any appeal or petition for review thereof.

9.7 Assignment of Rents. As security for the payment of all liens arising pursuant to this Article 9, each Owner hereby gives to and confers upon the Association the right, power and authority, during the continuance of such ownership, to collect the rents, issues and profits of the Owner's Lot, reserving unto the Owner the right, prior to any default by such Owner in performance of that Owner's obligation under this Declaration or the Bylaws to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, the Association may, at any time after ten (10) days written notice to such Owner, either in person, by agent or by a receiver to be appointed by a court of competent jurisdiction, and without regard to the adequacy of any security for such indebtedness, enter upon and take possession of such Owner's Lot or any part thereof, in its own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, in payment of any indebtedness to the Association or in performance of any agreement under this Declaration, and in such order as

the Association may determine. Such action shall not cure nor waive any default under this Declaration or invalidate any act done pursuant to this Declaration. The assignment of rents and powers described in this section shall not affect, and shall in all respects be subordinate to, the rights and powers of the holder of any first or second mortgage on any Lot to do the same or similar acts.

9.8 Nonexclusiveness and Accumulation of Remedies. An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted hereunder. The remedies provided in this Declaration are not exclusive but shall be in addition to all other remedies, including actions for damages and suits for injunctions and specific performance, available under applicable law to the Association. In addition, any aggrieved Owner may bring an action against another Owner or the Association to recover damages or to enjoin, abate or remedy any violation of this Declaration by appropriate legal proceedings.

9.9 Enforcement by City of Bend. The provisions of this Declaration relating to preservation and maintenance of Common Easement Areas shall be deemed to be for the benefit of City of Bend as well as the Association and Owners of Lots, and the City may enforce such provisions by appropriate proceedings at law or in equity or may cause such maintenance to be made, in which event such costs shall become a lien upon the Property.

Article 10

DISPUTE RESOLUTION

10.1 Mediation.

(a) Except as otherwise provided in this section, before initiating litigation, arbitration or an administrative proceeding in which the Association and an Owner have an adversarial relationship, the party that intends to initiate litigation, arbitration or an administrative proceeding shall offer to use any dispute resolution program available within Deschutes County, Oregon, that is in substantial compliance with the standards and guidelines adopted under ORS 36.175. The written offer must be hand-delivered or mailed by certified mail, return receipt requested, to the address, contained in the records of the Association, for the other party.

(b) If the party receiving the offer does not accept the offer within ten (10) days after receipt of the offer, such acceptance to be made by written notice, hand-delivered or mailed by certified mail, return receipt requested, to the address, contained in the records of the Association, for the other party, the initiating party may commence the litigation, arbitration or administrative proceeding. The notice of acceptance of the offer to participate in the program must contain the name, address and telephone number of the body administering the dispute resolution program.

(c) If a qualified dispute resolution program exists within Deschutes County, Oregon and an offer to use the program is not made as required under paragraph (a) of this section, then litigation, arbitration or an administrative proceeding may be stayed for thirty

(30) days upon a motion of the noninitiating party. If the litigation, arbitration or administrative action is stayed under this paragraph, both parties shall participate in the dispute resolution process.

(d) Unless a stay has been granted under paragraph (c) of this section, if the dispute resolution process is not completed within thirty (30) days after receipt of the initial offer, the initiating party may commence litigation, arbitration or an administrative proceeding without regard to whether the dispute resolution is completed.

(e) Once made, the decision of the court, arbitrator or administrative body arising from litigation, arbitration or an administrative proceeding may not be set aside on the grounds that an offer to use a dispute resolution program was not made.

(f) The requirements of this section do not apply to circumstances in which irreparable harm to a party will occur due to delay or to litigation, arbitration or an administrative proceeding initiated to collect Assessments, other than Assessments attributable to fines.

10.2 Arbitration. Any claim, controversy, or dispute by or among Declarant (including members, officers, directors, shareholders and affiliates of Declarant), Association, the Architectural Control Committee, or one or more Owners, or any of them, arising out of or related to this Declaration, the Bylaws of the Association, the Rules and Regulations, or the Property shall be first subject to mediation as described in Section 10.1 above or otherwise, and if not timely settled by mediation, resolved by arbitration in accordance with this Article 10. The decisions and award of the arbitrator shall be final, binding and nonappealable. The arbitration shall be conducted in Bend, Oregon or at such other location as may be agreed upon by the parties, pursuant to the arbitration statutes of the State of Oregon and any arbitration award may be enforced by any court with jurisdiction. Filing for arbitration shall be treated the same as filing in court for purposes of meeting any applicable statute of limitations or for purposes of filing a notice of pending action ("lis pendens").

10.3 Selection of Arbitrator. The arbitration shall be conducted by a single arbitrator selected by mutual agreement of the parties. The arbitrator selected shall be neutral and unbiased, except to the extent the arbitrator's prior relationship with any party is fully disclosed and consented to by the other party or parties. If the parties are unable to agree upon the arbitrator within ten (10) days after a party's demand for arbitration, upon application of any party, the presiding judge of the Circuit Court of Deschutes County, Oregon shall designate the arbitrator.

10.4 Consolidated Arbitration. Upon demand by any party, claims between or among the parties and third parties shall be submitted in a single, consolidated arbitration. Notwithstanding the provision of this Article 10, in the event any claim, controversy or dispute involves a claim by either party against a third party who is not required to and does not voluntarily agree to submit such claim to arbitration, then either party may elect to have the matter determined by a court of law in a consolidated proceeding, rather than by arbitration. In such case, the parties hereby waive trial by jury and agree that the matter shall be determined by a judge sitting without a jury.

10.5 Discovery. The parties to the arbitration shall be entitled to such discovery as would be available to them in an action in Deschutes County Circuit Court. The arbitrator shall have all of the authority of the court incidental to such discovery, including, without limitation, authority to issue orders to produce documents or other materials, to issue orders to appear and submit to deposition, and to impose appropriate sanctions including, without limitation, award against a party for failure to comply with any order.

10.6 Evidence. The parties to the arbitration may offer such evidence as they desire and shall produce such additional evidence as the arbitrator may deem necessary for an understanding and determination of the dispute. The arbitrator shall determine the admissibility of the evidence offered. All evidence shall be taken in the presence of the arbitrator and all of the parties, except when any of the parties is absent in default or has waived its right to be present.

10.7 Excluded Matters. Notwithstanding the foregoing, the following matters shall not be subject to mediation or arbitration under this Article 10 (but shall be subject to the applicable provisions of Section 10.8 below): (a) actions relating to the collection of fees, Assessments, fines and other charges imposed or levied by the Association (other than disputes as to the validity or amount of such fees, Assessments, fines or charges, which disputes shall be subject to mediation/arbitration as provided above); and (b) actions to enforce any order, decision or award rendered by arbitration pursuant to this Article 10. The filing of a lis pendens or the application to any court for the issuance of any provisional process or similar remedy described in the Oregon or Federal Rules of Civil Procedure shall not constitute a waiver of the right or duty to utilize the procedures specified in this Article 10.

10.8 Costs and Attorneys' Fees. The fees of any mediator and the costs of mediation shall be divided and paid equally by the parties. Each party shall pay its own attorneys' fees and costs in connection with any mediation. The fees of any arbitrator and the costs of arbitration shall be paid by the nonprevailing party or parties; if none, such fees and costs shall be divided and paid equally by the parties. Should any suit, action or arbitration be commenced in connection with any dispute related to or arising out of this Declaration, the Bylaws or the Rules and Regulations; to obtain a judicial construction of any provision of this Declaration, the Bylaws or the Rules and Regulations; to rescind this Declaration; or to enforce or collect any judgment or decree of any court or any award obtained during arbitration, the prevailing party shall be entitled to recover its costs and disbursements, together with such investigation, expert witness and attorneys' fees incurred in connection with such dispute as the court or arbitrator may adjudge reasonable, at trial, in the arbitration, upon any motion for reconsideration, upon petition for review, and on any appeal of such suit, action or arbitration proceeding. The determination of who is the prevailing party and the amount of reasonable attorneys' fees to be paid to the prevailing party shall be decided by the arbitrator (with respect to attorneys' fees incurred before and during the arbitration proceeding) and by the court or courts, including any appellate or review court, in which such matter is tried, heard or decided, including a court that hears a request to compel or enjoin arbitration or that hears exceptions made to an arbitration award submitted to it for confirmation as a judgment (with respect to attorneys' fees incurred in such proceedings).

10.9 Survival. The mediation and arbitration agreement set forth in this Article 10 shall survive the transfer by any party of its interest or involvement in the Property and any Lot therein and shall survive the termination of this Declaration.

Article 11

MORTGAGEES

11.1 Reimbursement of First Mortgagees. First mortgagees of units may, jointly or singly, pay taxes or other charges that are in default and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for any Unit. First mortgagees making such payments shall be owed immediate reimbursement therefor from the Association, to the extent the same was the responsibility of the Association.

11.2 Right of First Mortgagees Relating to Maintenance. At any time that the exterior of a Unit is not maintained or repaired by the Association pursuant to Article 7 to the extent reasonably necessary to protect and preserve the value of the Property for security purposes, then the record mortgagee, upon giving written notice as hereinafter provided, shall be entitled to exercise the rights of the Owner of the Unit as a member of the Association to vote at all regular and special meetings of the members of the Association for a period of one (1) year following the date of such notice. During this one (1) year period, the Association shall give notice of all regular and special meetings to both the Owner and the mortgagee, and the Owner may attend such meetings as an observer. Notice from the mortgagee under this section shall quote this Section 11.2 and shall be sent postage prepaid by certified United States mail, return receipt requested, to the Owner with a copy sent by regular mail to the Association at the last known address of each.

Article 12

AMENDMENT AND REPEAL

12.1 How Proposed. Amendments to or repeal of this Declaration shall be proposed by either a majority of the Board of Directors or by Owners holding thirty percent (30%) or more of the Association's voting rights. The proposed amendment or repeal must be reduced to writing and shall be included in the notice of any meeting at which action is to be taken thereon or attached to any request for consent to the amendment or repeal.

12.2 Approval Required. This Declaration, or any provision thereof, as from time to time in effect with respect to all or any part of the Property, may be amended or repealed by the vote or written consent of Owners representing not less than seventy-five percent (75%) of the Lots, based upon one vote for each such Lot, together with the written consent of the Class B member, if such Class B membership has not been terminated as provided in this Declaration. In no event shall an amendment under this section create, limit or diminish special Declarant rights without Declarant's written consent, or change the boundaries of any Lot or any uses to which any Lot is restricted under this Declaration or change the method of determining liability for common expenses, the method of determining the right to common profits or the method of determining voting rights of any Lot, unless the Owners of the affected Lots unanimously

consent to the amendment. Declarant may not amend this Declaration to increase the scope of special Declarant rights reserved in this Declaration after the sale of the first Lot unless Owners representing seventy-five percent (75%) of the total vote, other than Declarant, agree to the amendment. To the extent any amendment relates to the preservation or maintenance of the Common Maintenance Areas or private utility lines, or the existence of an entity responsible for accomplishing the same, such amendment shall be approved by the zoning administrator of City of Bend.

12.3 Recordation. Any such amendment or repeal shall become effective only upon recordation in the Deed Records of Deschutes County, Oregon of a certificate of the president and secretary of the Association setting forth in full the amendment, amendments or repeal so approved and certifying that such amendment, amendments or repeal have been approved in the manner required by this Declaration and ORS 94.590, and acknowledged in the manner provided for acknowledgment of deeds.

12.4 Regulatory Amendments. Notwithstanding the provisions of Section 12.1 above, until the Turnover Meeting, Declarant shall have the right to amend this Declaration or the Bylaws of the Association in order to comply with the requirements of the Federal Housing Administration, the United States Department of Veterans Affairs, the Farmers Home Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon that insures, guarantees or provides financing for a planned community or lots in a planned community. After the Turnover Meeting, any such amendment shall require the approval of a majority of the voting rights of the Association voting in person, by proxy or by ballot at a meeting or ballot meeting of the Association at which a quorum is represented.

Article 13

MISCELLANEOUS PROVISIONS

13.1 Lessees and Other Invitees. Lessees, invitees, contractors, family members and other persons entering the Property under rights derived from an Owner shall comply with all of the provisions of this Declaration restricting or regulating the Owner's use, improvement or enjoyment of his unit and other areas within the Property. The Owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner himself or herself.

13.2 Enforcement. The Association, or any Owner or the owner of any recorded mortgage on any part of the Property shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction contained in this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

13.3 Construction; Severability; Number; Caption. This Declaration shall be liberally construed as an entire document to accomplish the purposes hereof as stated in the introductory paragraphs hereof. Nevertheless, each provision of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provision.

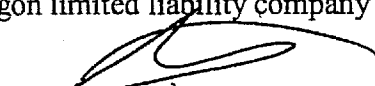

As used herein, the singular shall include the plural and the plural the singular, and the masculine and neuter shall each include the masculine, feminine and neuter, as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Declaration.

13.4 Notices and Other Documents. Any notice or other document permitted or required by this Declaration may be delivered either personally or by mail. Delivery by mail shall be deemed made twenty-four (24) hours after having been deposited in the United States mail, with postage prepaid, addressed as follows: If to Declarant, 16771 Boones Ferry Road, Lake Oswego, OR 97035; if to an Owner, at the address given by the Owner at the time of his or her purchase of a Lot, or at the Unit; if to the Association, to the mailing address of the Association as filed with the Oregon Secretary of State. The address of a party may be changed by him at any time by notice in writing delivered to the Association as provided herein.

13.5 Private Agreement. This Declaration and the covenants and agreements contained herein constitute a private agreement among the Owners of Lots in Northwest Crossing. This Declaration does not restrict City of Bend's authority to adopt or amend its development regulations. There may be conflicting requirements between this Declaration and regulations of City of Bend, which will limit its review of a development application to the requirements of its regulations. It is the duty of every person engaged in development or remodeling of a Lot and/or improvement in Northwest Crossing to know the requirements of this Declaration and the covenants and agreements contained herein. In the event there is a conflict between a regulation of City of Bend and this Declaration, any question regarding which provision controls shall be directed to the Association. In no event will City of Bend be liable for any approvals or permits that are granted in compliance with the regulations of City of Bend, the State of Oregon or any other jurisdiction, but that are not in compliance with this Declaration. Declarant and/or the Association will not be liable for any approvals that are granted in compliance with this Declaration, but that are not in compliance with the regulations of City of Bend, the State of Oregon or any other jurisdiction.

IN WITNESS WHEREOF, Declarant has executed this Declaration as of the date set forth above.
